INTERIM ORDER OF  
SURRENDER OF LICENSE

TO PRACTICE NURSING IN THE  
STATE OF NEW JERSEY

---

This matter was opened to the New Jersey State Board of Nursing upon receipt of information from the State Education Department in the State of New York that respondent withdrew from New York's Professional Assistance Program. Subsequently, on or about September 13, 2014, respondent signed a private letter agreement with the New Jersey Board for enrollment in the Recovery and Monitoring Program of New Jersey (RAMP). However respondent has not complied with the private letter agreement that he signed, which was to have the force and effect of a

Board order within the intendment of N.J.A.C. 13:45C-1.4, in that he has not participated in the RAMP program. Respondent has notified the New Jersey Board that he wishes to voluntarily surrender his New Jersey nursing license.

It appearing that there is good cause for the entry of this Order, and that respondent and the Board agree to its entry, and the Board finding that this order is sufficiently protective of the public health, safety and welfare, as this order will remain in effect until further order of the Board, and for other good cause shown;

IT IS ON THIS 6<sup>th</sup> DAY OF April, 2015,

HEREBY ORDERED AND AGREED THAT:

1. Respondent shall hereby voluntarily surrender his nursing license and he shall refrain from the further practice of nursing until further order of the Board. Respondent shall immediately forward his nursing license, along with his wallet-sized biennial renewal license forthwith to Susan Carboni, Deputy Attorney General, P.O. Box 45029, 124 Halsey Street, Fifth Floor, Newark, NJ 07101 on behalf of the Board of Nursing.

2. No application for reinstatement shall be entertained unless or until respondent is able to demonstrate that he is fit and competent to practice nursing by enrollment in the Recovery and Monitoring Program of New Jersey (RAMP) to undergo evaluation, and until RAMP supports respondent's reinstatement.

NEW JERSEY STATE BOARD OF NURSING
